About the Exhibition

The Garage Art Center is pleased to present artist Sui Park's solo exhibition, 'Gift Box.' This exhibition, 'Gift Box,' will showcase site-specific installation of various colorful cable ties in plant-based abstract forms that represent our sentiments, aspirations, and memorable moments in life.

The installation repurposes one-time use disposable cable ties into the form of the art, demonstrating reuse, recycling, and sustainability. Sui's black and white ink drawings will also be displayed along with her colorful sculpture installation.

This exhibition is made possible (in part) by the Queens Council on the Arts with public funds from the New York City Department of Cultural Affairs in partnership with the City Council.
