MAKE IT 10 CENTS!

Canners are some of the city's most essential environmental workers – almost single-handedly driving the success of New York's most effective recycling program. It's time to give them a raise. **The Bigger Better Bottle Bill** is pending legislation that would double the redemption rate from 5 to 10 cents and expand the types of cans and bottles eligible for return.

Siyan Wong Art Opening & Silent Auction
APRIL 14, 6PM–8PM

Benefitting Sure We Can
At Welcome to Chinatown

Pop-up Redemption Day
MAY 26, 8AM–12PM

This event will simulate the bill's passage by redeeming all materials at the 10-cent rate

With Sure We Can &
Canal Street Research Association

Community Panel
MAY 26, 4PM–6PM

Local experts and canners discuss why passing this bill matters -- and what's at stake
